Lighting Naturally

LIGHTING SHOULD FEEL AS NATURAL AS LIVING.

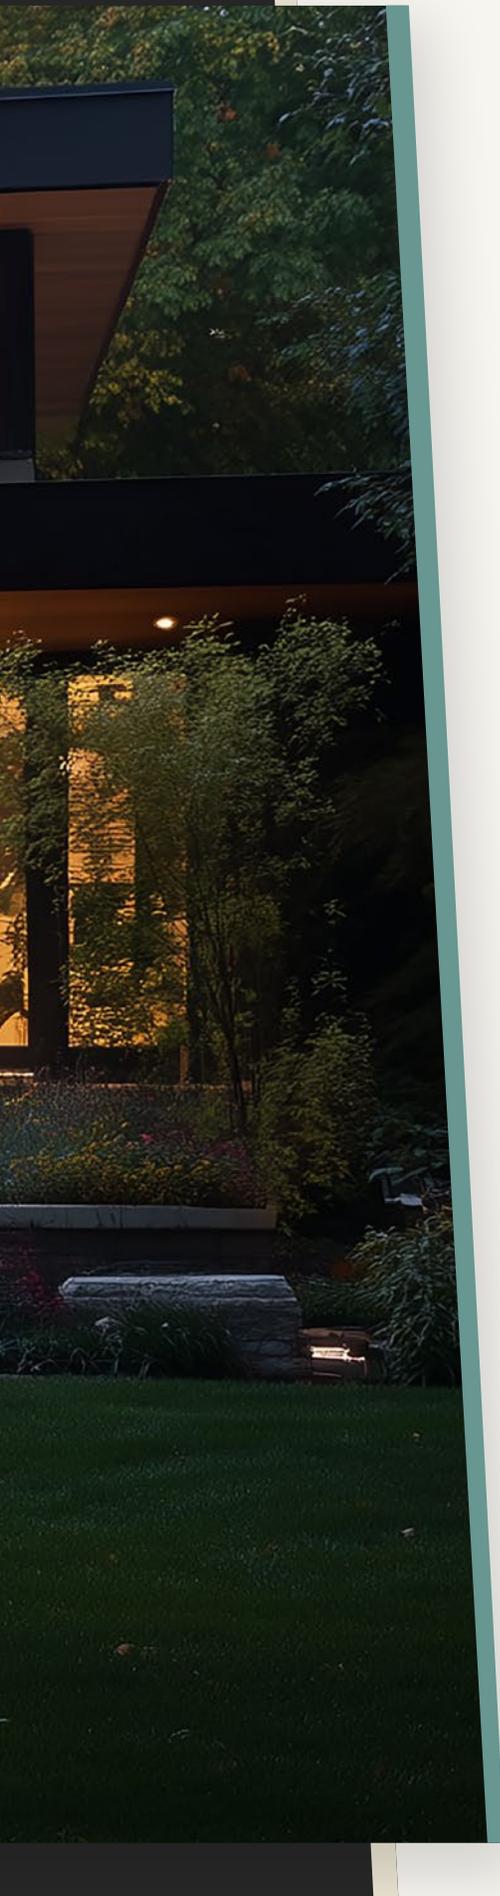

WAC Home brings effortless and intuitive illumination to every room. Lighting that supports the rhythms of your day, complements the way you live, and transforms your home with a single touch.

It is comfort without complication.
Simplicity without sacrifice.
A brilliant circulatory system for the home.

Lighting that moves with you, responds to you, and expresses you.

Welcome to WAC Home.
Light that lives the way you do.

Unified by Design

A HOME LAYERED WITH LIGHT AND PURPOSE

Great lighting begins with intention. General illumination sets the stage, task lighting brings clarity where you need it, and decorative accents add depth, warmth, and personality. WAC Home brings all of these layers together, so your entire space feels balanced, comfortable, and visually connected.

Every product in the WAC Home collection works in concert: recessed downlights, tape light, sheet light, decorative pendants, under cabinet lighting, pucks, and accents all tuned and controlled through one simple system. Architectural lighting from WAC Lighting, expressive designer pieces from dweLED, sculptural forms from Modern Forms, and luxury luminaires from Schonbek each contribute to a unified, responsive home that adapts to every moment.

One experience. One beautifully cohesive home.

Powered by WAC Group.

Life. Connected.

LIGHT THAT FITS YOUR LIFE

Your home changes throughout the day and your lighting should change with it. Morning clarity, afternoon energy, evening calm, late night softness. WAC Home adapts as easily as your own mood.

Our system delivers beautifully tuned scenes, natural color rendition, and lighting that feels alive. Whether you are cooking, relaxing, hosting, working, or unwinding, your home glows in harmony with the moment.

LIGHTING NATURALLY MEANS:

- Light that feels intuitive
- Light that elevates everyday living
- Light that brings comfort and connection
- Light that never asks you to think twice

Intensity 5%, CCT 1800K

Intensity 35%, CCT 2700K

Tunable White

Light that follows your rhythm from sunrise to sunset. Shift from warm to cool to match your activity, mood, or décor, while also bringing the intensity of the light to the exact level that suits you. Wake gently with low warm tones. Boost clarity with bright midday light. Settle into the evening with soft golden hues. With these four presets, Relax, Entertain, Welcome, and Focus, you can call up the perfect ambiance instantly.

With precise CCT control and high-CRI illumination working together, every room feels visually unified and naturally vibrant. Materials, art, and furnishings appear in their truest tones, and the light stays consistent from space to space, creating a home that looks and feels beautifully balanced.

WELCOME

Intensity 75%, CCT 3000K

FOCUS

Intensity 100%, CCT 4000K

RELAX Soft, warm illumination that settles the evening. From cozy movie moments to gentle late-night comfort, this scene eases you into calm.

ENTERTAIN Balanced and vibrant light that brings people together. Designed for hosting, gatherings, and creating an inviting atmosphere that feels alive.

WELCOME Cool, clear energy that brightens your home the moment you arrive. Perfect for mornings, homecomings, and anytime you want a fresh, uplifting start.

FOCUS Clean, bright tones that support productivity and clarity. Ideal for work hours, studying, cooking, or any moment that calls for attention and precision.

Intensity 100%, CCT 3000K

Intensity 55%, CCT 2700K

Dim-to-Warm

Experience the warmth and comfort of classic incandescent lighting—powered by advanced LED innovation. Dim-to-Warm technology seamlessly shifts color temperature as you lower the light level, transitioning from bright, vibrant illumination to a rich, golden glow.

The result is lighting that feels natural, inviting, and unmistakably human.

Intensity 12%, CCT 2200K

Intensity 2%, CCT 1800K

With WAC Home controls, shaping the perfect atmosphere is effortless. Choose Tunable White or Dim-to-Warm mode in the app, then fine-tune the light exactly the way you want it.

Dial in your own ambiance with precision, creating lighting that responds perfectly to your mood in every moment.

Refined Control

THE MOOD YOU WANT WHEN YOU WANT IT

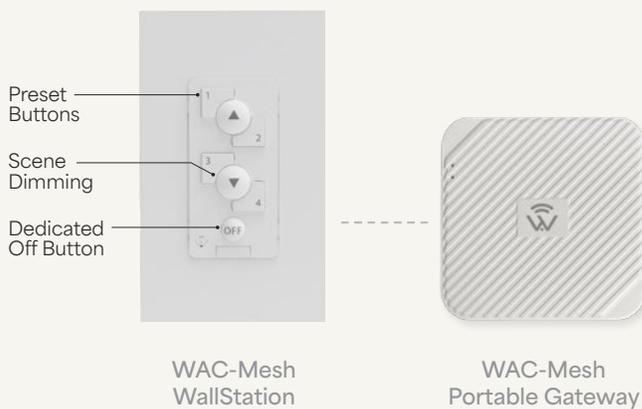

Your lighting shifts as quickly as life does. With the MyWAC App, WallStation, and WAC-Mesh wireless control, you can shape the entire atmosphere of your home in seconds. Control individual fixtures or whole rooms at once, letting each layer of light harmonize with your own vision.

Tap a button.

Speak a command.

Glide your finger across a dimmer.

Your home listens and responds instantly.

Layered Light

LIGHT THAT LAYERS, LIVES, AND EVOLVES WITH YOU

A beautiful home is shaped by layers of light working together to create depth, comfort, and emotion. When those layers move in harmony, every room feels more expressive and more your own.

The WAC Home collection brings that harmony to life. Every fixture—from recessed downlights to pendants and accents—responds as part of a unified system that feels intuitive and deeply personal. These are our newest, future-facing luminaires, designed to grow with you.

If a piece you cherish isn't WAC Home-ready, share it with us, we'll help it find its place in your story.

WAC LIGHTING®

WHERE FUNCTION MEETS REFINED ARCHITECTURAL DESIGN

Known for high-performance task luminaires and dependable everyday lighting, WAC Lighting provides the essential tools that shape kitchens, workspaces, corridors, facades, and more.

With advanced LED engineering and a broad, cohesive product range, WAC Lighting helps designers create spaces that look beautiful, feel comfortable, and perform flawlessly over time.

Deep regressed for
low-glare lighting

RECESSED FQ 2" + 4"

FEATURES

- Two-piece die-cast aluminum construction
- Light engine mounted on trim with springs for easy replacement
- 0-35° (FQ 2") vertical tilting, 0-45° (FQ 4") vertical tilting, and 365° horizontal rotation
- Field changeable beam angle with reflectors provided
- Accepts one lens or glare control accessory

INVISIBLED® Duet

FEATURES

- Tune to desired CCT and intensity
- Uniform brightness with advanced Chip-on-Board LEDs
- Strong adhesive bonding with the 3M adhesive VHB
- May be cut and easily reconnected every 4 inches
- Available in 6 lumen packages starting at 100lm/ft and up to 1000lm/ft
- Select either 1800K - 4000K or 2700K - 5000K Tunable White option
- Standard lengths of 1ft, 5ft, or 10ft

MODERN FORMS®

WHERE MODERN DESIGN MEETS INTELLIGENT LED INNOVATION

Defined by minimalist geometry, luxurious materials, and refined architectural presence, Modern Forms creates statement-making luminaires for contemporary and transitional homes. Sculptural pendants, bold sconces, and elevated ceiling lights pair striking aesthetics with exceptional LED performance for illumination that feels both artful and effortless.

Every fixture is engineered with integrated, long-lasting LED technology, delivering flawless dimming, beautiful color rendering, and optimal efficiency. With an expansive palette of silhouettes, finishes, and scales, Modern Forms brings a sophisticated modern sensibility to living areas, dining spaces, bedrooms, and beyond, merging high-end design with everyday functionality in a collection crafted for the way people live now.

CINAPLEX

Illuminated Style. Cinaplex elevates the wall sconce with a vertical composition of a mouth-blown glass diffuser anchored by a sleek metal band. The stacked design introduces depth and contrast, while the glass delivers a soft, multidirectional glow that enhances any modern space.

- Artisanal mouth-blown textured glass diffuser
- Driver concealed within the canopy
- Customizable configuration with interchangeable glass
- Can be mounted on wall vertically or upside down

CINAPLEX

Artful Brilliance. The Cinaplex linear pendant turns architectural lighting into an artful play of light and form. Nine mouth-blown glass elements can align in symmetry or stagger for drama, creating rhythm and refinement. With both upward and downward illumination, it delivers a sophisticated, dimensional glow.

- Artisanal mouth-blown textured glass diffuser
- Driver concealed within the canopy
- Customizable configuration with interchangeable glass
- Six 12" and two 6" downrods included (additional sold separately)
- Slope ceiling adaptable. Hang straight swivel.

HERITAGE CRAFTSMANSHIP ILLUMINATED WITH LUXURY AND ARTISTRY

Rooted in a legacy of handcraft spanning more than a century, Schonbek creates heirloom-quality chandeliers and decorative luminaires defined by precision, beauty, and exceptional attention to detail. Each design blends exquisite crystal artistry with timeless forms ranging from classic grandeur to modern opulence, bringing a sense of refinement to residences, boutique hospitality, and signature architectural spaces.

Individually cut, polished, and assembled by skilled artisans, every Schonbek piece transforms light into a radiant display of brilliance, texture, and emotion. With a diverse portfolio of silhouettes, sizes, and crystal options, Schonbek luminaires elevate dining rooms, foyers, living areas, and intimate spaces with unmatched luxury and presence, honoring tradition while inspiring environments built to last for generations.

JOSEFINA

SCHONBERG
Beyond

Drawing its dramatic presence from the angular beauty of icy mountain peaks, this wall sconce sparkles with faceted diffusers filled with Radiance® Crystal Dust that rise like sculpted ridgelines. Light refracts through the layered geometry, creating a crystalline glow that feels both crisp and atmospheric. Geometric planes intersect to form an unexpected, boldly modern silhouette that offers striking contrast against the luminous surfaces.

- Illuminated faceted Optic Crystal and Radiance® Crystal Dust diffuser
- Driver concealed within the canopy
- Can be mounted on wall in all orientations
